80 FISH STOP — The sportfisher *First String* had a quadruple jig strike on Saturday that produced a 2-hour stop that put 80 longfin on the deck. It was an Osterkamp Trucking charter and the stop was only 45 miles from Point Loma amongst the seiner fleet. This 25-pound albie was landed by Hank Osterkamp of San Clemente and galley chef Mark Thomsen gaffed the fish on the bow.

QUINTIN KAYAK

— Kayak fishing video producer Jon Schwartz got into yellowtail like this one, plus white seabass, during his recent trip to fish at San Quintin on a kayak supported by Pedro's Pangas.
